

EndyMed PRO with Fractional Skin Resurfacing Informed Consent Form

I understand that the EndyMed PRO is a radio-frequency device (RF) device intended for use in dermatologic and general surgical procedures for non-invasive treatment of wrinkles and rhytides. I understand that multiple treatments may be required and that there is no guarantee that the wrinkles/rhytides will be completely removed. I understand that there is a possibility of short term (few seconds to hours) adverse effects such as heating sensation, erythema and dry skin. Burns may occur in rare situations. These possible adverse effects have all been fully explained to me _____ (please initial).

I understand that the treatment by the EndyMed PRO system involves a series of treatments and the fee structure has been fully explained to me.

I also understand that there are other options for wrinkle and rhytides treatment that are available and each of these other options have fully been explained to me _____ (please initial).

With this in mind, I am choosing to try EndyMed PRO non-invasive treatment for wrinkle and rhytides reduction.

***Fractional Skin Resurfacing:**

I duly authorize _____ to use the EndyMed PRO system to perform ablative skin resurfacing and any post treatment medical requirements that may be necessary.
